Toot Toot Diner Play Kit

Turn the game into a real restaurant on your kitchen floor.

1. Set up

Cut out the menu, money and cheques. Give the child the cashier's Toot Toot Dollars. Put the OPEN sign on the door.

2. Take the order

A grown-up (or a stuffed animal) is the customer. The child writes the order on a slip and says the prices out loud.

3. Add it up

Fill in the cheque. Count the coins if it's tricky. Then the customer pays with too much money on purpose.

4. Make change

Count up from the total to the amount paid. Hand over the change. Then everybody toots on the way out and Robo cleans up.

In this kit:

Menu board (priced) · Menu board (price it yourself) · Order pad · Toot Toot Dollars and

coins · Cheque pad · Robo mask · OPEN / CLOSED sign · Name tags
