_____I would like to find out:

_____**Fact bank**

A giraffe's tongue is about as long as a school ruler (around 45 cm).

Penguins cannot fly, but they are excellent swimmers and can "fly" underwater.

An octopus has three hearts and blue blood.

Elephants are the largest animals that live on land. They use their trunk like a hand.

Frogs drink water through their skin instead of their mouth.

A lion's roar can be heard from about 8 km away.
